Our Value for this month is

Friendship

Topic

Our topic this term is 'Love of Books'.

We will be learning about features of houses, where we live and people in our families. Each week we will be exploring different books and learning about emotions.
This is always a nice topic to begin the new academic year.
We're looking forward to a fun packed term!

Weekend Books

All the children have weekend books. These are for your children to share their weekend activities/experiences in. This could include watching a film, feeding the ducks.
If you can encourage your children to draw a picture and then annotate them we can then read them out during the week.
We also add in termly activities linking to the topic, for the children to complete at home. They will be given out to new starters over the first few weeks as the children start.

This is a lovely experience for the children to share with their friends during circle time.
